THE NIGHTINGALE PLEDGE

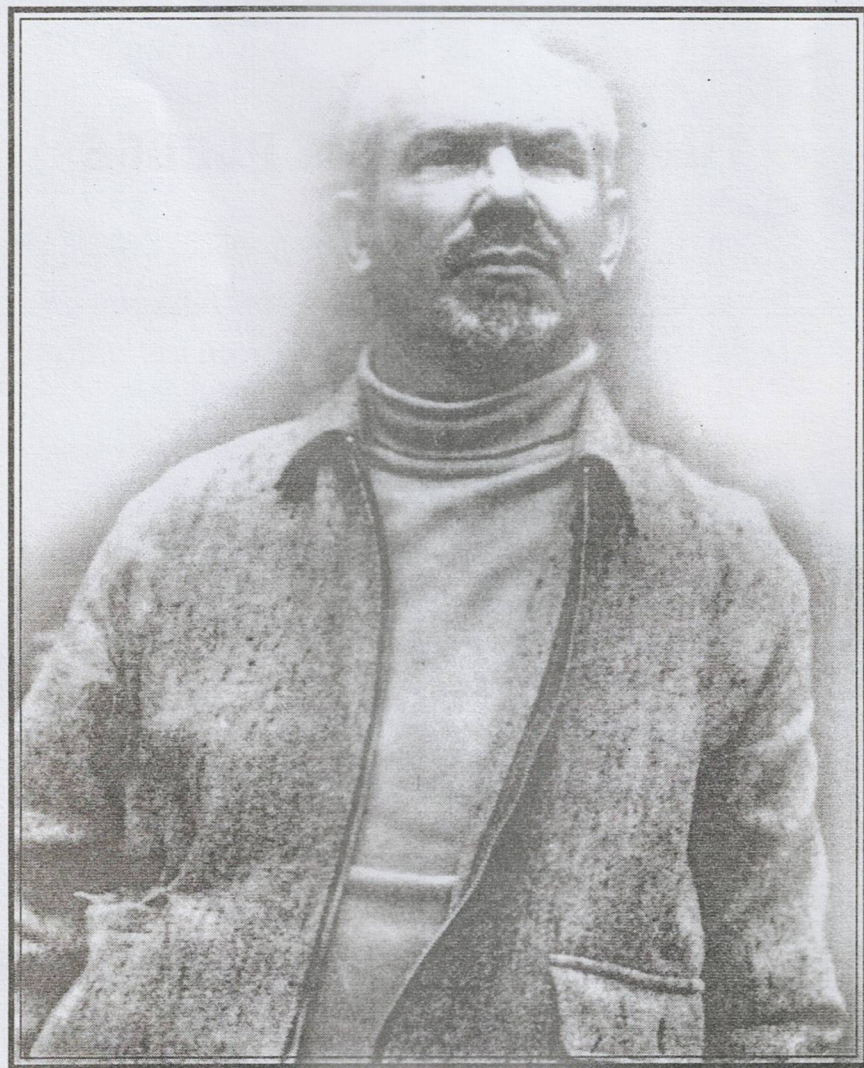

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever deleterious and mischievous and will not take or knowingly administer any harmful drug.

I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling.

With loyalty, I will endeavour to aid the physician in his work and devote myself to the welfare those committed to my care.

*Florence Nightingale
(1820-1910)*

Medicine, as we are practising it, is a luxury trade. We are selling bread at the price of jewels... Let us take the profit, the private economic profit, out of medicine, and purify our profession of rapacious individualism... Let us say to the people not 'How much have you got?' but 'How best can we serve you?'

Dr. Norman Bethune

Born : March-1890

Died : 12 Nov, 1939

Vision and Mission of Sahid Kshudiram Memorial Trust

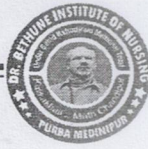

A sense of patriotism with a motivation to serve the people is the main source of inspiration to establish " Sahid Kshudiram Memorial Trust " as a non-commercial educational organisation. Mr Pabitra Jana, the Founder Chairman of the Trust, a renowned educationist & philanthropist , had registered the Trust in the year 2021. The Vision and Mission of the Trust since its inception was to establish a leading educational institution dedicated to provide a high-quality holistic education that will empower the students to achieve their full potential and establish themselves as successful professionals in their respective fields. It will promote values of integrity, respect, and social responsibility within the community while on other hand it will provide all sorts of socio educational services to the needy and the underprivileged people.

In the present times the medical science is undergoing sea changes. The hospital sector is witnessing major revamp in their infrastructure with regards to equipment and human resources. Nursing professionals will play a key role in the health care sector. Therefore, the nurses also need to be equipped with the modern nursing science and techniques to render quality care and services to the patients.

The Trust believes that, the nurses are the key persons in a health care set up. Unless the standard of nursing is improved and upgraded, a hospital will not be able to deliver quality care to the patients. There is an untiring effort of the members of the Trust, to up-grade the quality of treatment facilities as well as the moral and ethical values of the health care providers.

Therefore, the Governing body of the Trust has put much emphasis on uplifting the standard of nursing education.

The Trust feels the need to open a Nursing Institute to prepare the Nursing students to render Comprehensive quality care to the patients, to fulfil the Vision and Mission of the Trust.

Mission of Dr. Bethune Institute of Nursing (For Male) Recognised by WBNC & Applied for INC recognition

Dr. Bethune Institute of Nursing is established in 2024 attached to our parent institute, Chandipur Multispeciality Hospital with the following Visions.

1. Educate and Inspire: To provide a dynamic and supportive learning environment that cultivates critical thinking, clinical expertise, and a lifelong commitment to learning.

To inspire students to become compassionate, ethical, and competent nursing professionals.

2. Advance Nursing Knowledge: To promote the advancement of nursing science through rigorous research, evidence-based practice, and the integration of new technologies.

3. Serve the Community: To produce health care professionals who will engage themselves in community based programmes and outreach initiatives that will address health disparities and promote wellness.

4. Foster Leadership and Collaboration: To develop leaders in nursing who can effectively collaborate across disciplines to improve patient care outcomes.

5. Embrace Diversity and Inclusion: To create an inclusive environment that respects and values the diverse backgrounds, experiences, and perspectives of our students, faculty, and staff. We believe that diversity enriches the educational experience and enhances the quality of care provided by our graduates.

Adhering to these principles, our nursing school aims to produce graduates who are not only skilled professionals but also compassionate caregivers and proactive leaders in the field of healthcare.

Philosophy of Dr. Bethune Institute Of Nursing

The orientation of modern nursing is holistic care, which includes therapeutic educative as well as a dynamic process in meeting the health needs of the Individual, Family and the Community.

The nurses should be equipped with advanced practice in Nursing and Midwifery to play an integrated role by generating and applying innovative care to the patients in Hospital as well as in the Community at large.

The Philosophy of the Academy is to prepare the Nurses with effective communication and leadership skills in the inter-professional field to promote positive changes in the hospital to provide quality care and services to the patients.

Objectives of 'Dr. Bethune Institute Of Nursing'

The nursing education aims to generate trained & competent nurses having high moral and ethical standard, which will fulfil the demand of high standards of nursing in the hospital as well as in the community at large.

The trained nurses will be able to play an integral part in fulfilling the objectives of the Society for providing all sorts of comprehensive medical care and services to the needy and underprivileged people at minimum possible cost also rendering various Socio-Medical Community Services in slum areas free of cost with Medical Camps in flood hit and other disaster-affected areas.

On the other hand, the course will enhance proper utilization of human resources along with employment generation. A special emphasis will be taken to recruit boys from the lower socio-economic background.

The entire facility is air conditioned with spacious classrooms, modern labs and a very well equipped library, along with an excellent faculty headed by a very reputed Principal. The Hostels are comfortable with individual beds along with nutritious and tasty food.

Message from the Chairman

The depiction of Florence Nightingale carrying a torch, symbolizes a union of dedicated nursing care, with the expansion of the horizons in healthcare, through research and innovative technologies, for the purpose of ensuring proper and systematic training. Keeping this in mind Chandipur Multispeciality Hospital commissioned the Dr. Bethune Institute of Nursing in the year 2024.

The School of Nursing is recognized by West Bengal Nursing Council and applied to Indian Nursing Council for recognition.

The current scenario in the local, national and international level is of intense competition with equal opportunity to all. The world has advanced phenomenally in the past decade than ever before. Education which has always played an important role in the human life has gained a lot of importance in the present times because it is not only what you have but the knowledge, skills and attitude which determines individual's success in today's World.

Dr. Bethune Institute of Nursing believes in creating leaders and practitioners for tomorrow and as well as good citizens for an emerging global world. A green campus and excellent facilities provide an appropriate environment for higher education, training, co-curricular activities and coexistence with nature.

Our vision is to provide the best of nursing education that combines continuous quality improvement, latest technology and cost effectiveness within a governmental framework of higher education. In order to provide quality care to patients and ensure utmost Patient safety continuous assessment is performed to improve student performance while rendering compassionate patient care, as per the standards adopted internationally.

Mr. Pabitra Jana
Chairman

Message from the Secretary

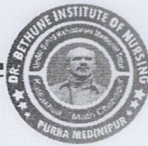

Education is not just about collecting information; It is the preparation for life. Education is knowledge bound by wisdom and ethics. It develops students' personalities, moulds their character and develops mental skills to help them to deal with the problems and challenges of today's complex world one

of the most important character traits in our youth during education that needs to be inculcated is a subtle inclusive attitude about service-before-self. The goal is not only to make them successful in life, but also to make them aware of their duties and responsibilities towards their colleagues and society. Dr. Bethune Institute Of Nursing is established with these visions.

Our institute is for students who believe that education must address these imperatives, while preserving essential values from the past. We prepare our students for both academic and social challenges. I warmly welcome you to "Dr. Bethune Institute Of Nursing" where your dreams will come true.

Mrs. Niva Rani Jana
Secretary

Vision and Mission of Chandipur Multi-speciality Hospital

Introduction:

In the month of August 1994, we started a five-bedded Nursing Home, named 'Mother Nursing Home' at Kalikakhali, Math Chandipur. The medical facility was where not sufficient at that period. Gradually, everything was changed along with the socio-economic system and the medical facility also evolved. We upgraded our institution and gradually converted it into a 160 bedded hospital, named Chandipur Multispeciality Hospital in the year April 2020. During covid pandemic period thousands of Covid-19 affected people were served in this hospital.

Presently it is one of the popular and rushing hospital in East and West Medinipur with multispeciality facilities like 24/7 emergency & trauma care, ICU, NICU, Burn unit, Obs & Gyne, cardiology, 24/7 CT scan & laboratory services and many more. We have a great panel of renowned doctors of different medical colleges from all over the West Bengal.

Vision:

To be a premier healthcare institution recognized for excellence in patient care, medical education, and research.

To be committed for improvement of the health and well-being of the communities we serve.

Mission:

1. Deliver compassionate, patient-centered care of the highest quality.
2. Foster an environment of continuous improvement and innovation in healthcare services.
3. Promote health and wellness through community engagement and education.
4. Support and advance medical research to develop new treatments and cures.
5. Provide comprehensive training and education for healthcare professionals to ensure the highest standards of medical practice.
